

REMARKS

By way of the amendment instructions above, obvious typographical errors present in allowed claims 1 and 10 have been corrected. Specifically, the incorrect term "loading system" has been changed to the correct term "loading signal" in claim 1 while the superfluous word "for" has been deleted from claim 10.

Since the amendment instructions above relate merely to form, their entry under the provisions of 37 CFR §1.312 is solicited so as to avoid the need for a Certificate of Correction post-issuance.

Such favorable action is solicited.

Respectfully submitted,

NIXON & VANDERHYE P.C.
